INDIA'S CONSUMER MARKET IS EXPLODING

India is entering a high-growth consumption phase, driven by rising incomes, urbanization, and digital access across categories.

1.4B+ CONSUMERS, YOUNG DEMOGRAPHICS

A young, digitally native
population is shaping faster
adoption cycles and long-term
brand loyalty.

RISING DEMAND FOR CLEAN-LABEL & FUNCTIONAL NUTRITION

Consumers are shifting toward
transparency, health-first
products, and value-driven
nutrition choices.

BUT ENTRY NEEDS THE RIGHT STRATEGY

Market potential alone isn't
enough, success depends on
positioning, compliance, pricing,
and execution.

30SIXTY TECH HELPS YOU LAUNCH RIGHT

We partner with brands to design
market-ready strategies and
execute launches built for scale in
India.
